

President's Letter

Hi Fellow Members;

It's that time year to vote for a new board of directors for our club! I encourage everyone to consider running for a position. We need trustees and members at large. It's important to remember that to be president you must have served one term on the board. So we really need people to serve and get eligible ! It's a lot of fun and you get to see how this club works.

Many of our current executive board has graciously agreed to run for re-election as have most of our members at large and hopefully our trustees. If you wish to contest any of the races, please let us know.

We have an exciting calendar planned for May starting with our Maifest celebration and into June with our 45th birthday celebration all month.

It's been a privilege serving our club over the past year! I sincerely thank you all for your incredible support for the many projects we tackled this year!

Your President,
Steve Oldham
